

TABLE TALK

Enjoy a menu with a difference! Spark conversation and serve up stories as we celebrate VE Day 80 together.

-  What's your favourite way to 'keep calm and carry on'?
-  If you had to pick a 1940s hobby would you choose something crafty, musical, or sporty?
-  How would have you kept your communities' spirits up during the war?
-  What food would you have missed most because of rationing?
-  What dish would you have made to celebrate VE Day in 1945?
-  Have you been involved in any remembrance activities before?
-  How do you hope we'll continue to remember VE Day in the future?
