Dear Mum,

I have passed on the brown socks
onto Dan as you said and the brown
knickers. I knew I wrote Jimmie ^{the} same
time as my last letter to you
talking about Jimmie do you think
that you could send me down
his red costume ~~and~~ take or can
you buy me a new one the red
one needs a tuck in the front
to make it fit ever then it
might not. I had a dip in the
sea last Saturday morning
and found it very pleasant.
How is your ankle getting on have
you been to the doctor or have
you had him yet you had better
to? Dan and Joe need their next
shoes a size larger. I am glad
you are seeing too the like I
need it
