My Own Darling Wife,

Dearest Sweetheart.

I am writing these few  
lines just in case we  
aren't able to say  
goodbye to one another, as  
I may just leave you  
one morning and not  
come back to you at  
night, but you will  
understand as that  
is how the army

works, if you feel like  
I do when you read  
this, I guess you must  
feel pretty full up.

It may sound  
funny to you when I  
say that I want to  
go Darling, but there are  
boys 'out there that  
haven't been able to  
get home for years  
and they have wives  
and families praying  
for them to be home,  
it may only be for  
a short while sweetheart  
but I will think of you

and write every spare  
minute I have got, and  
Sweetheart please don't  
be downhearted if you  
don't get what you  
have been praying  
for. we are still young  
Darling and there will  
be plenty of times when  
I come back, I always  
want you to remember  
this Darling, that I'll  
always love you with  
all my heart, I have  
done since we first  
met, but maybe I  
haven't shown it

4/

outwardly.

Well my Darling  
I must close now, so  
Cherio Sweetheart and  
keep loving me as if  
I were still there,  
say goodbye to Mam  
Dad Jack & Jim for me  
also. your folks at  
home,  
Cherio Darling.

your ever loving Husband
